

TREE OF LIFE

UNA BELL

Mundaring Arts Centre | 24 Feb - 21 Apr 2024

The arts practice of local Landcare advocate and Herbarium Research Associate, Una Bell, has developed into a pictographic language of endemic flora and fauna from particular sites. In this exhibition, she draws on the ancient pictograph of the Tree of Life, with the imagery in her paintings and lino prints becoming species lists that catalogue the ecology of the Darling scarp.
